University of the Philippines - Los Baños

Expected graduation: August 2028

Los Baños, Laguna

August 2024 -Present

Philippine Science High School - Main Campus

Graduated

Quezon City, Metro Manila

August 2018 - July 2024

Played a part in the revival of Volant, the school's official badminton club.

Experiences

Tomas Morato Elementary School

Community Service Worker

Quezon City, Metro Manila

December 2023 - March 2024

- Coordinated — together with peer-groupmates — with the school dean and teaching staff to teach classrooms of fifth grade students about the importance of mental health and on self-care techniques.

De La Salle University

Data Science Workshop Participant

Manila, Metro Manila

July - August 2023

- Attended lectures on data science hosted by industry professionals, learning about the many definitions of data science, about Big Data, their core concepts and their applications.
- Worked with a team of peers to visualize and present sections of a publicly available database using Jupyter Notebook and its associated libraries.

Projects

Jeopardy Parody

Developer

Los Banos, Laguna

- Programmed a Jeopardy parody game in Python.
- Implemented bubble sort on 4 arrays at the same time to visualize bubble sorting letter-ASCII art.
- Implemented file reading and writing to randomly choose categories and questions every game and save player high scores.
- Got a subject final standing of 1.00.
